Innicor Board of Directors Reaffirms Recommendation to Tender to Sondex Offer

CALGARY, ALBERTA, (November 13, 2006) - As previously announced on September 21, 2006, Innicor Subsurface Technologies Inc. (TSX: IST) ("Innicor" or the "Corporation") and Sondex plc ("Sondex") have entered into a pre-acquisition agreement dated September 20, 2006 (the "Pre-Acquisition Agreement") pursuant to which Sondex's subsidiary, Sondex Completion Systems Inc., has made an offer dated October 11, 2006 to acquire all of the common shares of Innicor at a price of \$3.75 per Innicor share. The Sondex offer is currently scheduled to expire at 3:00 p.m. (Calgary time) on November 16, 2006 and is conditional on, among other things, the approval of the acquisition by shareholders of Sondex at an extraordinary general meeting of Sondex shareholders convened for November 16, 2006 and the acceptance of the Sondex offer by holders of at least 90% of the Innicor shares (on a fully-diluted basis). If the conditions of the Sondex offer are not satisfied or waived by Sondex at or prior to the expiry of the offer, then under the terms of the Pre-Acquisition Agreement Sondex will not be obligated to take-up the Innicor shares tendered to the offer and tendering Innicor shareholders will be returned all Innicor shares not taken-up.

The Innicor board of directors reaffirms its unanimous recommendation that Innicor shareholders tender all of their common shares to the Sondex offer, despite Sondex's news release of November 8, 2006 indicating that the board of directors of Sondex has determined to amend its recommendation and now strongly advises that Sondex shareholders vote against all the resolutions to be proposed at the Sondex shareholders meeting.
